Saltburn Catch & Release Pegged Open: 13 August 2017: 2-6pm

30 anglers competed, including 3 juniors; 15 anglers returned 20 fish - 17 flounders, 1 brill, 1 eel and 1 weaver. All fish returned. It was a valient effort by all participating anglers battling with loose weed and a strong easterly set. Hopefully the weather will be kinder to us for next year's event. Thanks to all involved and hope to see you all next year and spread the word. Hopefully next year we will make this a Penn point event, probably earlier to avoid the summer weed growth.
